Brief Overview:

A young boy meets a man with a dark past of Nazi Concentration camps. The story tells how the man's stories slowly turn the boy in an evil way and how the past can always come to haunt you.

Recommendations (would you recommend this book? Who to? Why?)

I would only recommend this book to a mature audience. Some scenes in this book are very graphic and horrifying. I found myself with chills and found myself very disturbed by some of the things in the novel. But overall it's a good book if you can take things like that.
