

TEMPORARY COMPUTER CARD POLICY

Sims Library provides computers for the public to use as a community service. With your Temporary Computer Card you have full access to the computers and the electronic databases. You must always bring your card to the library in order to use the computers.

You must be at least 18 years old and in good standing to qualify for a Temporary Computer Card.

CARD FEES

Temporary Computer Cards are available for thirty (30) days for \$5 or sixty (60) days for \$10. If you lose your Temporary Computer Card you must purchase a new card at the full price. Library staff cannot retrieve the card number for you, nor can you use your valid Driver's License.

If you live outside of the Waxahachie city limit, you may purchase a Sims Library card for \$35. The costs from the Temporary Computer Card will not apply towards a full Library card. See the Main Desk for details.

FIRST COME, FIRST SERVE

The computers are used on a first come, first serve basis. Computers may not be reserved in advance.

PRINTOUTS

Computer printouts cost 25¢ per page. Patrons must pay for all printouts, including pages they do not want. Color printing is not available.

DISKS, DRIVES, AND OTHER DEVICES

Computer users may use flash drives/thumb drives, cds, MP3 players, cameras and other devices. All user-provided devices and Internet files will be scanned for viruses. Patrons use their own equipment or storage media at their own risk. The Library does not provide any support for patron's equipment that is connected to the Library's computers and does not assume any liability for those devices' functionality, contents or serviceability.
