Book Title: The Picture of Dorian Gray

Author: Oscar Wilde

The Picture of Dorian Gray is a wonderful classic that isn't too hard to understand. Most classics have difficult, old-fashioned language, but this one is relatively modern. It is very entertaining and has several plot twists. I honestly don't think I could've predicted how the story ends. It's definitely a horror story, but not in the traditional "oh look, a monster" sense. It makes you think more deeply about life, morality, and the human psyche, and it's a fun book to read!
